EDUCATION

University of Wisconsin - Madison

Expected May 2028

Bachelor of Science in Computer Science, Minor in Data Science

3.97 GPA

Awards/Honors: Dean's List, LASER Rising Researcher Award

Relevant Coursework: Data Structures and Algorithms (in progress), Object Oriented Programming I-III, Linear Algebra, Calculus I-II, Discrete Math, AI

TECHNICAL SKILLS

Programming Languages: Python, Java, R, JavaScript, HTML, CSS, SQL, Bash

Frameworks/Tools: React.js, Node.js, Three.js, AWS, Jupyter Notebook, PyTorch, TensorFlow, Matplotlib, Seaborn, Pandas, Git

PROJECTS

Algoverse Research Project (Python, PyTorch, RDKit)

- Developed a scalable ML training pipeline that integrated uncertainty quantification, improving model prediction accuracy by 3%
- Engineered data processing workflows in Python to clean, merge, and augment multi-million record chemistry datasets (USPTO), enhancing model reliability for chemical reaction prediction

WORK EXPERIENCE

UW-Madison Division of Information Technology (DoIT)

Madison, WI

IT Support Specialist

Aug 2025 – Present

- Resolved 30+ technical support cases weekly for UW-Madison's 61,000+ students, faculty, and staff
- Leveraged tools including Cisco Finesse, Webex, Bomgar to troubleshoot software, account, and connectivity issues efficiently
- Streamlined IT resolution protocols by documenting complex technical interactions in Cherwell (ITSM tool), reducing average ticket resolution time through improved knowledge-base accuracy

Department of Statistics

Madison, WI

Computational GenAI Research Intern

Jun 2025 – Present

- Researched Generative AI and language models using Python, PyTorch, and NumPy
- Conducted experiments analyzing AI behavior in mathematical problem-solving tasks using Group Relative Policy Optimization (GRPO) within reinforcement learning frameworks

LEADERSHIP AND PROFESSIONAL DEVELOPMENT

Management Leadership for Tomorrow

Madison, WI

Career Preparation Fellow

Nov 2025 – Present

- Accepted into a selective 18-month professional development program for high-achieving talent

Cursor at UW-Madison

Madison, WI

Founder and Co-President

Aug 2025 – Present

- Lead the organization, overseeing operations, meetings, and official communications
- Directed executive officers to execute high-impact events and deliver annual compliance reports

ACM-W (Women in Computing) - UW-Madison Chapter

Madison, WI

Event Officer

Aug 2025 – Present

- Organize and lead biweekly networking lunches to foster mentorship, collaboration, and inclusion among women and gender minorities in computing
- Manage event logistics, speaker outreach, and community engagement for WACM, supporting 200+ members through biweekly events.

AFFILIATION

Codepath | Community member and student

Sep 2025 – Present

Rewriting The Code (RTC) | Community member

Aug 2025 – Present
